

Habitat Sponsorship Opportunities

Make an Impression on Conservation: Partner with Zoo Miami

Zoo Miami is one of the most prominent zoos in the country and is dedicated to conservation, education, and research. The zoo is home to over 2,500 animals from more than 400 species, many of which are threatened or endangered in the wild. To continue providing excellent care and supporting environmental education, Zoo Miami offers a unique opportunity for individuals and organizations to sponsor a habitat.

Habitat sponsorship provides several benefits, including:

- Enhance your brand image:** Unique visibility with signage at animal habitats and the Zoo Miami website
- Expand your audience:** Position your name in front of over 1 million guests a year
- Support conservation efforts:** A portion of your donation will go directly to support conservation of endangered species and their habitats

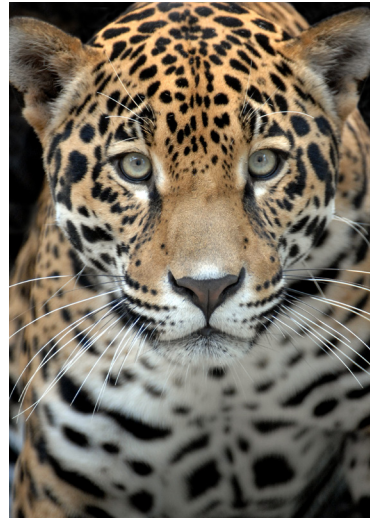

Available Habitats

Habitat sponsorships are available for most species at Zoo Miami. Habitats are grouped by size, visibility, popularity, and estimated traffic. If you do not see your habitat listed below, please inquire with the Development Team at Zoo Miami Foundation by contacting partners@zoomiami.org or **(305) 255-5551** for more information.
